

Sweet Pea
Quilting Ltd.

Sweet Pea Quilting Beginner Class Supply List

The most important part of this class is making sure your machine is in perfect running condition and you know how to use it. Bring all the accessories that come with your machine. Don't forget the foot pedal, cords, extra bobbins and needles. If you have an extension cord, please bring that also.

Fabric can be chosen the morning of the class. See note below on discounts.

Basic quilting supplies:

- 1) Ruler – a good starting one is 6 x 12 or 18
- 2) Rotary cutter with extra blades
- 3) Scissors
- 4) Good quality thread. My favourite for piecing is Aurifil.
- 5) Straight pins

All these supplies are available at the shop and if purchased for the class you will receive a 15% discount.
